

Nov. 2006: Starting with November 2006, due to the cooperation between our association and the magazine edited by SRAC (Romanian Society for Quality Assurance), a series of articles on Lean Manufacturing will be available in each monthly issue of their magazine called "Calitatea". At the beginning, we introduce some data regarding the [birth and content of the "Lean Manufacturing" principles](#).

May 2006: AELR performed a training course for introduction of Lean Manufacturing principles and methods, at ZOPPAS INDUSTRIES SRL Romania, in May 2006.
